Dr. H. C. Burleigh, M.D., C. M., U. E. L.  
Bath, Ontario  
Canada

Dear Dr. Burleigh:

I have had considerable success in ferreting out my Canadian ancestry since I last wrote to you in Nov. 1969.

I believe that I have also discovered that I have U. E. L. ancestry as I am descended from Joseph Purdy of the Township of Hamilton, District of Newcastle. His daughter, Elizabeth Purdy, married John McEvers. In turn, the granddaughter of Joseph Purdy, Elizabeth McEvers, married my ancestor, Stephen Jaynes.

The land petition P8/30 dated 6 March, 1807 states that Joseph Purdy joined British Standard in America during the American war and served as guide and pilot in His Majesty's Service until taken prisoner. Purdy moved from New York to Ontario in 1797.

Joseph Purdy is also referred to in Land Petition P7/4 dated York 19 November, 1802. His daughter, Betsey McEvers, also requested land as the daughter of Joseph Purdy, a U. E. L. in an entry in the Upper Canada Land Book G, page 467, dated 22 February, 1808.

I also intend to investigate other possible U. E. L. connections through two other women who married into the Jaynes family: Hepzibah Ridout, who married John Jayne; and Hannah Perry, who married Oliver Jaynes.

I would appreciate any observations which you would care to offer regarding the authenticity of my claim to U. E. L. relationship through any of the three mentioned.

Probably some of the children of Micaiah and Mary Jane Jayne  
were born on Long Island, New York and migrated as a family  
in 1793 Or 1794. Evidence indicates that this family settled  
in the vicinity of Hay Bay Post Office area in the western  
side of North Fredericksburg, just north of the bay. Some  
of the older children may have located at Gosport slightly  
to the west in Adolphstown township.

Alfred Jaynes left Canada and came to the U.S.A. in 1877. Thus, his Jaynes ancestors had first lived in the U.S.A. from approximately 1670 to 1793 or 123 years. Then Alfred's ancestors and he totaled about 84 years in Canada, followed by about 95 years in the U.S.A. since 1877 by Alfred and his descendants.

Nov. 28, 1969

Dear Dr. Burleigh:

I am informed that you are a genealogist of considerable repute and that you specialize in U.E.L. geneology.

I am enclosing four related charts regarding my Jaynes ancestry, and I would be very pleased if you would find them useful or worthy of becoming part of your files.

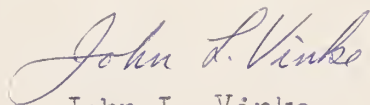

My main objective is to determine the ancestry of Stephen Jaynes, and to close the one or two generation gaps between Stephen and known Jaynes history on Long Island, N. Y. I have conflicting information about the birthplace of Stephen. One version is Hay Bay, Ontario and the other is the U. S. A.

Secondly, I am interested in confirming or correcting any information on the charts. Areas of known speculation are indicated by dotted lines.

Thirdly, I am interested in any embellishment of the Jaynes history.

I will be most happy if you can be of assistance to me. If so, please advise me of your procedure.

Yours truly,

John L. Vinke
